so far  
in all

Threesome by second chapter, I expect an anal orgy by the end of this volume.

Glad to see this picked up, pretty funny/shameless series. Shame it's so short though.

**Oh my god! It was less than a day after chapter 2 was released, and Uncharted Scanlations already got 600+ Likes on Facebook!**

**Wow... The things that you guys would do for boobs (LOL), but I won't argue with the results. Since a promise is a promise, I will continue to work hard to bring you guys new chapters!**

**However, I would also like to remind you guys that since I have summer school and work, Volume 1 will be done within May. As for Volume 2 and 3, they will need extra time due to my redrawer having other commitments.**

**Be sure to stay tuned for more updates by Uncharted Scanlations~!**

Oh my, little sister, you already understand what a threesome is at such a young age?

Looks like this family has a very great sexual education custom.

**WE NEED MORE REDRAWERS

**So a translator from Renzokusei Scans contacted me about collaborating with him about the series. Naturally, I am more than happy to accept help, but I would like to remind you fellow readers that I am taking summer school and working. If you don't want your weekly release interrupted, please help out in any way!**
